

USAGE OF THE FSC AND PEFC TRADEMARK IN CONJUNCTION WITH THE CHAIN-OF-CUSTODY-NUMBERS (CERTIFICATE NUMBERS) OF CINRAM GMBH

CINRAM GmbH does respect the mission of FSC („Forest Stewardship Council“) and PEFC („Programme for the Endorsement of Forest Certification Schemes“) and is certified according to all involved requirements.

The FSC and PEFC trademark logos will only be used in combination with the respective „Chain-of-Custody-Numbers“ (the respective certification numbers) of CINRAM GmbH and in conjunction with products manufactured by CINRAM GmbH.

Along with this CINRAM GmbH takes full responsibility for the usage of the respective logos and the initials FSC as registered trademark of Forest Stewardship Council AC and the initials PEFC as registered trademark of PEFC Deutschland e.V. in combination and in conjunction with products manufactured by CINRAM GmbH.

All above trademark logos as well as the „Chain-of-Custody-Numbers“ must not be used by any third party in any form which may lead to any irritation, misinterpretation and potential loss of credibility of CINRAM's certification.

CINRAM GmbH will accordingly only provide such proprietary data for the purpose of artwork origination for a specific project/order and upon request by its customers. Due to this, the FSC and PEFC label generator is not to be used by any other party.

Accordingly, the use of such certified FSC and PEFC trademark logos in combination with CINRAM's „Chain-of-Custody-Numbers“ is only allowed to be used on products which are being ordered on and manufactured by CINRAM GmbH.

Any other usage (for own advertising purposes, documents, products or any other abuse) or further forwarding to any other parties without written approval by CINRAM GmbH is prohibited.
